Nivel

## PASOS DE INSTALACIÓN

1

Marque la pared

2

Perfore a cada 30cm para colocar los fijadores de pared a nivel

3

Coloque los fijadores de pared de acuerdo al dibujo

4

Cloque las repisas

5

Coloque los tapones de los extremos de los estantes

6

Utilizando el nivel sobre el estante o perchero, marque y perfore para colocar las escuadras
